ADDENDUM TWO TO ALL FIRMS:

Reference: Request for Proposal (RFP) #FF110207

Commodity: Wireless Electronic Locks

Dated: December 4, 2007

Proposal Due: January 17, 2008

Please reference the following for clarifications and changes to the RFP #FF110207, issued on November 2, 2007, for Wireless Electronic Locks:

In Section II. Scope of Goods and Services:

Under sub-section A. Wireless Electronic Hardware:

- Replace “The product(s) proposed by the Selected Firm(s) must provide/perform the following mandatory requirements:” with “The product(s) proposed by the Selected Firm(s) will provide/perform the following highly preferred capabilities:”
- Add #10 and #11 to read as follows:
  10. Any hardware that makes use of wireless Ethernet must connect to the University's 802.11a/b/g compatible wireless network. In addition such hardware must be able to connect to a non-broadcast Service Set Identifier (“SSID”) and a detailed description of its network setup and configuration options must be provided with the Firm’s proposal. The network security features of the Firm’s proposed hardware must also be specified in the Firm’s proposal.
  11. Only hardware using wireless Ethernet may make use of 2.4 Gigahertz (“GHz”) and/or 5.1GHz radio frequencies.
- All other verbiage remains the same.

Under sub-section B. Software System (“System”):

- Add #9 to read as follows:
  9. A full description of the Firm’s network security features must be provided with the Firm’s proposal. In particular, this description must detail how communication between the Firm’s System and the Firm’s hardware is secured.
- All other verbiage remains the same

In Section VII. Procurement Schedule, change, the entire section, to read as follows:
