**B. COOPERATIVE PURCHASING / USE OF AGREEMENT by THIRD PARTIES**

It is the intent of this RFP and any resulting Agreement to allow for cooperative procurement. Accordingly, any public body (to include government/state agencies,
political subdivisions, etc.), cooperative purchasing organizations, public or private health or educational institution, or any University related foundation may access the Agreement if authorized by the Selected Firm(s).

Participation in this cooperative procurement is strictly voluntary. If authorized by the Selected Firm(s), the Agreement may be extended to the entities indicated above to purchase goods and services in accordance with the Agreement. As a separate contractual relationship, the participating entity will place its own orders with the Selected Firm(s) and will fully and independently administer its use of the Agreement to include contractual disputes, invoicing and payments without direct administration from the University. No modification of the Agreement or execution of a separate agreement is required to participate; however, the participating entity and the Selected Firm(s) may modify the terms and conditions of the Agreement to accommodate specific governing laws, regulations, polices, and business goals required by the participating entity. Any such modification will apply solely between the participating entity and the Selected Firm(s).

The Selected Firm(s) will notify the University in writing of any such entities accessing the Agreement. The Selected Firm(s) will provide semi-annual usage reports for all entities accessing the Agreement. The University will not be held liable for any costs or damages incurred by any other participating entity as a result of any authorization by the Selected Firm(s) to extend the Agreement. It is understood and agreed that the University is not responsible for the acts or omissions of any entity, and will not be considered in default of the Agreement no matter the circumstances.

Use of the Agreement does not preclude any participating entity from using other agreements or competitive processes as needed.

It is the University’s intent to market this cooperative access to other institutions and state entities for cooperative use. Selected Firm(s) are encouraged to promote any resulting agreement to other institutions and state entities as a vehicle that satisfies competitive requirements.

C. SCOPE OF SERVICES

It is the University’s intent to enter into an Agreement with Selected Firm(s) for
Chauffeured Transportation Services that will help the University, VHEPC, and VASCUPP meet their chauffeured transportation needs. The Services to be provided shall include, but not be limited to, the following:

2. The contractual terms which would govern the relationship between the University and the Selected Firm(s) (See RFP Attachment 2, Award Agreement; Section I. Conditions of Award, Contractual Provisions)

3. The Selected Firm’s Small, Woman-owned and Minority-owned (SWAM) business status and/or the Selected Firm’s plan for utilization of SWAM businesses. For more information about SWAM and the University’s SWAM plan, please see the letter in Attachment 1 and refer to the following site:

Selected Firm(s) who have been awarded will be subject to auto-renewals for the full ten (10) year period unless otherwise determined by the University. Selected Firm(s) pricing and discounts will remain for a period of two years from date of Agreement. Greetings:

The University of Virginia is able to deliver excellent education, research, healthcare, and public service because the high value support from you and all our suppliers of goods and services. Thank you for sharing our commitment to excellence. As a University, we are committed to diversity within our students, our faculty and staff, and our vendors and contractors. An important part of our procurement program involves our commitment to doing business with small, women-and minority-owned (SWaM) businesses. We look to you to help us achieve this objective.

We currently have a substantial volume of activity with small firms; however, we are striving to increase the number of substantial, long-term business relationships with minority-and women-owned businesses. We need your help here.

I have two requests. First, I ask that you actively seek out opportunities to involve small, women-and minority-owned businesses as you deliver services to UVa. Our team in Procurement and Supplier Diversity Services will assist you in identifying qualified diverse business partners. Second, please report your success in this area through our quarterly subcontracting reports – this is critical in quantifying how well we are meeting our goals. The terms and conditions previously provided to your organization outlined this process.

This effort is important to the University. We truly appreciate your efforts to join us in this commitment and partnership towards excellence.

Sincerely,
Attachment 2:
