Request for Proposal (RFP) Name: Event Management Services for University of Virginia Bicentennial Launch

RFP Number: KC1799674

Issue Date: December 16, 2016

Brief Description:
The Primary objective is to find an experienced firm to provide event and conference planning and management services for the University's bicentennial commemoration opening event on Friday, October 6, 2017, commemorating the laying of the cornerstone of the University's first building, Pavilion VII.

Background:
When Thomas Jefferson founded the University in 1819, he intended it to be nothing less than a world-class institution of higher learning. Jefferson's spirit lives on – not only in the Rotunda and Academical Village he designed, and which remain treasures of American architecture, but in the University's standing as a leader in education, research, and community service. The 24,541 students attending the University work within a true meritocracy and live by an Honor Code unique among American universities. Each student is exposed to the widest spectrum of disciplines – from arts and athletics to humanities and technology. Our students also enjoy a unique connection to the world beyond college through the University's outstanding professional training, exemplified by its nationally ranked schools of Law, Business, and Medicine. The University as a whole has had a consistently high ranking not only among public schools, where it often heads the list, but among all American universities, public and private.

Over 12,400 permanent University faculty and staff are committed to serving both the local and national community. The University makes a real difference in the world, through its invaluable research, a hospital ranked among the nation's finest, and graduates who have consistently been among the forefront of our nation's shapers. At the University, our bright future is the direct result of our great history.

In support of its mission and in an effort to maintain the highest quality services for its customers, the University seeks experienced and innovative firms to provide event and conference planning and management services for the University's bicentennial commemoration.

### B. SCOPE OF GOODS & SERVICES

The bicentennial of the University of Virginia will launch on Friday, October 6, 2017, with a ceremony commemorating the laying of the cornerstone of the University’s first building, Pavilion VII. The brick building, designed by Thomas Jefferson, was the first structure in the University’s Academical Village, a World UNESCO Heritage Site. It is the only American University with this designation.

Later in the day, students, faculty, staff, alumni, and community members will converge on the Lawn for an evening of performances that will highlight the history and future of the University. Approximately 20,000 attendees are expected on the Lawn with thousands of alumni around the world watching a live stream of the ceremony. Performances will pay homage to “traditional” art forms as well as embrace cutting edge artistic exploration.

The types of events planned for the evening include but are not limited to:

- Using projection mapping to depict the history and future of the University – projection to be shown on the Rotunda. The light show as envisioned will be similar to the light show, “Northern Lights” depicting Canada’s history, which is projected on Parliament Hill in Ottawa each summer. Link: https://www.youtube.com/watch?v=bNbQKh-WDcw

- The Academical Village includes ten pavilions – five on each side of the Lawn. Micro-performances and lectures will take place in each of the pavilions during the evening.

The event will be held on the Lawn weather permitting. In case of bad weather, the event will be held in the University’s John Paul Jones Arena. Selected Firm will be

Any firm(s) invited to negotiations should note that the University reserves the right to begin negotiations by combining the best aspects of submitted proposals from all responding firms as the basis for subsequent formation of any Agreement resulting from this RFP.

Greetings:

The University of Virginia is able to deliver excellent education, research, healthcare, and public service because the high value support from you and all our suppliers of goods and services. Thank you for sharing our commitment to excellence. As a University, we are committed to diversity within our students, our faculty and staff, and our vendors and contractors. An important part of our procurement program involves our commitment to doing business with small, women- and minority-owned (SWaM) businesses. We look to you to help us achieve this objective.

We currently have a substantial volume of activity with small firms; however, we are striving to increase the number of substantial, long-term business relationships with minority- and women-owned businesses. We need your help here.

I have two requests. First, I ask that you actively seek out opportunities to involve small, women-and minority-owned businesses as you deliver services to UVa. Our team in Procurement and Supplier Diversity Services will assist you in identifying qualified diverse business partners. Second, please report your success in this area through our quarterly subcontracting reports – this is critical in quantifying how well we are meeting our goals. The terms and conditions previously provided to your organization outlined this process.

This effort is important to the University. We truly appreciate your efforts to join us in this commitment and partnership towards excellence.

Sincerely,
