I. Overview of the RFP Process

The Rector and Visitors of the University of Virginia (the “University”), a Virginia public corporation, seeks an experienced firm to provide Research and Development Goods and Services (“R&D”). This RFP is part of a competitive procurement process which helps to serve the University's best interests. It also provides firms with a fair opportunity for its services to be considered. The process of competitive negotiation being used in this case should not be confused with the different process of competitive sealed bidding. The latter process is usually used where the goods or services being procured can be described precisely and price is generally the determinative factor. With competitive negotiation, however, price is not required to be the determinative factor, although it may be, and the University has the flexibility it needs to negotiate with firms to arrive at a mutually agreeable relationship.

For ease of reference, each firm receiving this RFP is referred to as a "Firm" and the firm selected to provide services for the University is referred to as the "Selected Firm(s)." This RFP states the

---

1 “Firm(s)” indicates a vendor that is eligible to submit a proposal for this RFP.
2 “Selected Firm(s)” indicates a vendor that has been selected for Award and is designated as a strategic or contract vendor for the University.
instructions for submitting proposals, the procedure and criteria by which a firm may be selected, and the contractual terms by which the University proposes to govern the relationship between it and the Selected Firm(s).

It is the policy of the Commonwealth of Virginia and the University to contribute to the establishment, preservation, and strengthening of small businesses and businesses owned by women and minorities, and to encourage its participation in State procurement activities. The Commonwealth and the University encourage firms to provide for the participation of small businesses and businesses owned by women and minorities through partnerships, joint ventures, subcontracts, or other contractual opportunities.

II. **Cooperative Purchasing / Use of Agreement by Third Parties**

It is the intent of this RFP and any resulting Agreement to allow for cooperative procurement. Accordingly, any public body (to include government/state agencies, political subdivisions, etc.), cooperative purchasing organizations, public or private health or educational institution, or any University related foundation may access the Agreement if authorized by the Selected Firm(s).

Participation in this cooperative procurement is strictly voluntary. If authorized by the Selected Firm(s), the Agreement may be extended to the entities indicated above to purchase goods and services in accordance with the Agreement. As a separate contractual relationship, the participating entity will place its own orders with the Selected Firm(s) and will fully and independently administer its use of the Agreement to include contractual disputes, invoicing and payments without direct administration from the University. No modification of the Agreement or execution of a separate agreement is required to participate; however, the participating entity and the Selected Firm(s) may modify the terms and conditions of the Agreement to accommodate specific governing laws, regulations, polices, and business goals required by the participating entity. Any such modification will apply solely between the participating entity and the Selected Firm(s).

The Selected Firm(s) will notify the University in writing of any such entities accessing the Agreement. The Selected Firm(s) will provide semi-annual usage reports for all entities accessing the Agreement. The University will not be held liable for any costs or damages incurred by any other participating entity as a result of any authorization by the Selected Firm(s) to extend the Agreement. It is understood and agreed that the University is not responsible for the acts or
omissions of any entity, and will not be considered in default of the Agreement no matter the circumstances.

Use of the Agreement does not preclude any participating entity from using other agreements or competitive processes as needed.

It is the University’s intent to market this cooperative access to other institutions and state entities for cooperative use. Selected Firm(s) are encouraged to promote any resulting agreement to other institutions and state entities as a vehicle that satisfies competitive requirements.

III. Background Discussion and Goals of the University

When Thomas Jefferson founded the University in 1819, he intended it to be nothing less than a world-class institution of higher learning. Jefferson’s spirit lives on – not only in the Rotunda and Academical Village he designed, and which remain treasures of American architecture, but in the University’s standing as a leader in education, research, and community service.

The 24,541 students attending the University work within a true meritocracy and live by an Honor Code unique among American universities. Each student is exposed to the widest spectrum of disciplines – from arts and athletics to humanities and technology. Our students also enjoy a unique connection to the world beyond college through the University’s outstanding professional training, exemplified by its nationally ranked schools of Law, Business, and Medicine. The University as a whole has had a consistently high ranking not only among public schools, where it often heads the list, but among all American universities, public and private.

Over 12,400 permanent University faculty and staff are committed to serving both the local and national community. The University makes a real difference in the world, through its invaluable research, a hospital ranked among the nation’s finest, and graduates who have consistently been among the forefront of our nation’s shapers. At the University, our bright future is the direct result of our great history.

In support of its mission and in an effort to maintain the highest quality services for its customers, the University seeks an experienced firm(s) to provide Research and Development Goods and Services to begin in 2016.
The University invites firms responding to this RFP to submit proposals that present different options for provision of the Goods and Services, and/or alternate creative proposals. The University will, in its sole judgment, consider such options and/or alternatives as long as the functionality and minimum requirements of the University are met. This is not an allowance for alteration of the structure of Attachment 5, Award Agreement, Vendor Proposal Contracting Form, Procedure for Proposal Submission. The University reserves the right to award to different Selected Firm(s) to respectively provide any part of the goods and services discussed in this RFP.

IV. Estimated Expenditures

Identifiable spend in Research and Development Goods and Services for the University is $20 million dollars annually. Identifiable spend in Research and Development Goods and Services for Virginia Higher Education Procurement Cooperative (‘VHEPC’) is $47 million dollars annually.

V. Scope of Goods and Services

It is the University's intent to enter into an Agreement with Selected Firm(s) for Research and Development Goods and Services to help the University achieve its goals as outlined in this RFP. This R&D Request for Proposal (RFP) will include; a broad spectrum of goods and services that are procured to increase scientific knowledge, apply increased scientific knowledge, or explore the potential of scientific discoveries and improvements in technology to advance scientific knowledge. In order to achieve this goal the Selected Firm(s) may be requested to provide those goods and services that will be included in one or more categories as outlined in this RFP. Firms are encouraged to identify a niche or specialty category that is associated with the strengths of their business model. **This opportunity will seek to form Agreements primarily with Manufacturers.** The University requests that Distributors do not provide proposals. The University desires to streamline the research contracting process, obtain the best possible pricing, and ensure compliance with federal, state, and University requirements. This RFP will provide an opportunity for PSDS, University research community and Selected Firm(s) to collaborate and support growth in the research enterprise, minimize administrative burden, reduce costs and risks, and ensure regulatory and policy compliance.

It is the intent of this RFP to have multiple open award enrollment periods for a 10-year period. The University reserves the right to award to new Selected Firm(s) and/or re-negotiate pricing with currently Selected Firm(s) during these open enrollment periods.

Annual periods of open enrollment will be initiated the first quarter of the calendar year, January 1st through March 31st of each year for the ten (10) year term until the year 2026. These periods of open enrollment will be referred to as specific “Generation(s)” of vendor award(s). Selected Firm(s)\(^4\) may be awarded for one, more than one, or all Goods/Services Categories. Firm(s)\(^5\) will be asked to provide proposals in a similar process as described in Attachment 5, Award Agreement, Vendor Proposal Contracting Form, Procedure for Proposal Submission, during each Generation open enrollment period.

Selected Firm(s)\(^4\) who have been awarded in the prior year will be subject to auto-renewals for the full ten (10) year period unless otherwise determined by the University. Selected Firm(s)\(^4\) pricing and discounts will remain for a period of one year from date of Agreement. The University may negotiate or re-negotiate pricing or service terms during the open enrollment period of each year. F. eCommerce Functionality

a. eVa

Providing a suitable mechanism for e-commerce efficiency is crucial to achieve the goals associated with this RFP. Selected Firm(s) will maintain or create some type of e-commerce capability. This may include but not be limited to, an eVA Internet electronic procurement solution, web site portal www.eva.virginia.gov, which is the Commonwealth of Virginia's comprehensive electronic procurement system. The portal is the gateway for firms to conduct business with state agencies and public bodies. All agencies and public bodies are expected to utilize eVA. All firms desiring to provide goods and/or services in the Commonwealth are encouraged to participate in the eVA Internet e-procurement solution.

b. University of Virginia

The University of Virginia currently maintains an e-commerce platform, the UVa Marketplace (the “Marketplace”), which is operated via the University’s chosen e-commerce platform vendor (currently SciQuest). The Selected Firm(s) should be capable of implementing the following e-commerce functions for the University:

i. A SciQuest e-commerce catalog – specifically, due to the nature of this commodity, a University-specific “hosted” or "punchout" catalog that coordinates seamlessly with the University's Marketplace platform, and/or;

ii. A customized quote feature in the catalog offering for orders that fall outside the scope of the standard catalog items, such as, customized orders.
(the Selected Firm's e-commerce capability should include a method of capturing these customized quotes within the e-commerce business environment), and/or;

iii. Electronic receipt of University POs, and/or;

iv. Electronic Invoicing submission upon provision of the goods and services [Please Note: "Electronic Invoicing" is defined as a University-approved methodology for automated University receipt and entry of invoices. Simply delivering copies of invoices via facsimile transmission or e-mail is not considered to be "Electronic Invoicing" for the purposes of this RFP], and/or;

v. Receipt of the subsequent University payment via a University approved method of electronic payment.

G. Contents of the Proposal

Proposals should include information outlined in this section. Copies of proposals must be submitted through the Contract Opportunity Portal found on the PSDS webpage online at http://www.procurement.virginia.edu/pagecontractopp Firm(s) will be prompted to enter the “code” “RFPKF042916” to access the tool for upload. For detailed instructions see Attachment 7, Sample Screen Shots for Proposal Upload.

Proposals should include the following documentation:

1) Attachment 5, Award Agreement; Vendor Proposal Contracting Form in Microsoft Word format or Adobe portable document format (“PDF”) format. (Uploaded as a single document. Once a file is selected for upload, the tool will not allow additional documents to be uploaded in the same section.)

2) Any additional Proposal Documents that are of necessity. (Uploaded as a single document. Once a file is selected for upload, the tool will not allow additional documents to be uploaded in the same section.)

3) Pricing in Microsoft Excel spreadsheet format only. See template Attachment 6; Product Pricing for pricing details. (Uploaded as a single document. Once a file is selected for upload, the tool will not allow additional documents to be uploaded in the same section.)

Unnecessarily elaborate brochures and other presentations beyond the documents requested are not desired and may be construed as an indication of a firm’s lack of cost consciousness.
Elaborate artwork, expensive paper and bindings, and expensive visual and other presentation aids are neither necessary nor desired. Proposals submitted in any other method other than the Contract Opportunity Portal found online at http://www.procurement.virginia.edu/pagecontractopp, will not be accepted.

H. Site Visits

It may be necessary or desirable for the University's evaluation team of less than ten people to travel to a site chosen jointly by the firm and the University to view its operation. Each firm will indicate whether it will reimburse the University for the reasonable and actual expenses (travel, lodging, meals, etc.) incurred by the University for its travel.

I. Small, Women-owned and Minority-owned (SWAM) Business

The University is committed to the goal of non-discrimination and to giving fair consideration for all vendors in its procurement programs. The University has set a voluntary goal of doing 5% more business with SWAM firms each year. The University’s 2014 SWAM plan spend goal for firms certified by the Commonwealth of Virginia’s Department of Small Business & Supplier Diversity (SBSD) is 45%. Targets for each business segment are as follows:

<table>
<thead>
<tr>
<th>Business Segment</th>
<th>Goal</th>
</tr>
</thead>
<tbody>
<tr>
<td>Small Business &amp; Supplier Diversity</td>
<td>6%</td>
</tr>
<tr>
<td>Women Business Enterprises</td>
<td>7%</td>
</tr>
<tr>
<td>Minority Business Enterprises</td>
<td>32%</td>
</tr>
</tbody>
</table>

This goal does not allow for "set aside" purchases. SWAM firms must compete equally with majority firms and be able to provide the University with quality goods and services at competitive prices. To view the University’s current quarterly achievements, click here (Current SWAM Report). As this report shows, the University is in need of assistance in the Minority-owned and Women-owned categories. Please tailor your firm’s SWAM plan to assist the University in meeting its goal and targets.

Specify whether the firm is a SWAM. Firms can only be considered a Small, Women-owned or a Minority-owned Business Enterprise if certified by SBSD. All certified SWAM firms will be assigned a specific identification number. No SWAM firm is required to certify under this
program and no SWAM firm will be excluded from doing business with the Commonwealth because of its failure to certify as a SWAM firm.

If the firm is not a SWAM firm, describe the firm’s partnering relationships with SWAM firms and how it plans to support the University’s goal to increase business annually by 5% with these firms in accordance with Attachment 4, Office of the VP for Management and Budget’s Request for Commitment letter.

D. Proposal Deadline for Generation 1

Attachment 5, Award Agreement; Vendor Proposal Contracting Form must be received through the Contract Opportunity Portal found online at http://www.procurement.virginia.edu/pagecontractopp by 3:00 p.m., (EST/EDT), on June 10th, 2016. RFP Section VI. Information about this RFP, Section J, Virginia Freedom of Information Act, applies.

E. Oral Presentation/Negotiations

An oral presentation by two or more firms may be required after written proposals are received by the University. If the University requires such a presentation, the Issuing Office will schedule a time and place. Each firm should be prepared to discuss and substantiate any of the areas of the proposal it submitted, its own qualifications for the services required and any other area of interest relative to its proposal. Negotiations and
Oral presentations are tentatively scheduled for June 2016 through July 2016. Negotiations will be conducted by the University on the firms' financial proposals and proposed terms and conditions. Negotiations are also acceptable through electronic mail.

F. Communications Between the University and the Firms Regarding This RFP

Informal Communications

From the date of receipt of this Request for Proposal by each firm until a binding contractual agreement exists with the Selected Firm(s) and all other firms have been notified, or when the University rejects all proposals, informal communications regarding this procurement will cease. Informal communications will include but not be limited to:

1. Requests from the firms to any department at the University, with the exception of Procurement and Supplier Diversity Services for information, comments, speculation, etc.; and

2. Requests from any department at the University, or any employee of the University, with the exception of Procurement and Supplier Diversity Services for information, comments, speculation, etc.

Formal Communications

From the date of receipt of this Request for Proposal by each firm until a binding contractual agreement exists with the Selected Firm(s) and all other firms have been notified, or when the University rejects all proposals, all communications between the University and the firms will be formal, or as provided for in this Request for Proposal, or as requested by Procurement and Supplier Diversity Services. Formal communications will include but not be limited to:

1. Oral presentations

2. Site visits, Interviews, etc.

Any failure to adhere to the provisions set forth in Informal Communications and the Formal Communications sections above may result in the rejection of any firm's proposal or cancellation of this RFP.
G. Formation of the Agreement with the Selected Firm(s)

All proposals received will first be carefully evaluated by the University, and then the University intends to conduct negotiations with two or more firms. After negotiations have been conducted, if the University chooses to make award, the University will select the firm(s) which, in its opinion, best meets the needs of the University. Alternately, if the University determines in writing and in its sole discretion that only one firm is fully qualified, or that one firm is clearly more highly qualified than the others under consideration, it may decide to negotiate and award an agreement to that single firm. In either event, the University intends to execute a mutually satisfactory written agreement which will reflect and largely incorporate this RFP as reconciled with any pertinent documents, such as the proposal submitted and relevant negotiation correspondence.

Because the University may choose to negotiate and award to a single firm as discussed above, each firm must include in its written proposal all requirements, terms or conditions it may have, and should not assume that an opportunity will exist to add such matters after the proposal is submitted.

Any firm(s) invited to negotiations should note that the University reserves the right to begin negotiations by combining the best aspects of submitted proposals from all responding firms as the basis for subsequent formation of any Agreement resulting from this RFP.

Firms should also note that, as described in Section H, Provisions Deemed Included in the Proposal, certain matters will automatically be deemed part of the proposal.

H. Provisions Deemed Included in the Proposal

The University will consider each proposal to include not only the matters expressly stated in the proposal as requested in Section V; Scope of Goods and Services Section H; Contents of the Proposal, but also other provisions which consist of two different types: those which are "mandatory" and cannot be changed by a firm in its proposal; and those which are "preferred" by the University, but which a firm may wish to alter by expressly and specifically so stating in its proposal.
The University includes mandatory provisions so that all proposals will be governed by the same basic contractual terms. The University encourages any firm which feels that a mandatory provision is unreasonable to contact the University before proposals are due so the University can consider amending the provision. The University includes preferred provisions so that any difference between the firm and the University's preferred contractual provisions can be considered during the University's evaluation of proposals.

1. Mandatory Provisions

Each proposal received by the University in response to this RFP will automatically be deemed to include the firm's agreement to the provisions of (a) and (b) below. Although such provisions will govern the firm's proposals as submitted, the University and one or more firms may later mutually agree to amend such provisions, such as when additional time is needed to consider proposals, or when contractual negotiations or performance indicate that such amendments are appropriate.

a. The proposal constitutes an offer by the firm which will remain open and irrevocable for a period of 120 days from the deadline for submitting proposals as stated in Section VI, Information about this RFP Section D, Proposal Deadline.

b. If selected by the University, the provisions governing the firm's performance will include all the provisions of Attachment 1, Mandatory Contractual Provisions.

Unless a firm expressly and specifically provides otherwise in its written proposal, the proposal received by the University in response to this RFP will automatically be deemed to include the firm's agreement to these provisions:

a. The firm consents to the University contacting and obtaining any information relevant to this RFP from the references and others identified by the firm in its proposal, as well as from any other persons, firms, or organizations which the University wishes to contact; and
b. If selected by the University, the provisions governing the firm's performance will include all the provisions of Attachment 2, Preferred Contractual Provisions.

I. Rejection of Proposals

The University reserves the right to reject any or all proposals received. Non-acceptance of a firm's proposal will mean that one or more proposals were deemed more advantageous to the University or that all proposals were rejected. Firms whose proposals are not accepted will be notified after a binding contractual agreement between the University and the Selected Firm(s) exists, or when the University rejects all proposals.

J. Virginia Freedom of Information Act

Except as provided, once an award is announced, all proposals submitted in response to this RFP will be open to inspection by any citizen, or interested person, firm or corporation, in accordance with the Virginia Freedom of Information Act. Trade secrets or proprietary information submitted by a firm prior to or as part of its proposal will not be subject to public disclosure under the Virginia Freedom of Information Act only under the following circumstances: (1) the appropriate information is clearly identified by some distinct method such as highlighting or underlining; (2) only the specific words, figures, or paragraphs that constitute trade secrets or proprietary information are identified; and (3) a summary page is supplied immediately following the proposal title page that includes (a) the information to be protected, (b) the section(s)/page number(s) where this information is found in the proposal, and (c) a statement why protection is necessary for each section listed. The firm must also provide a separate electronic copy of the proposal (CD, etc.) with the trade secrets and/or proprietary information redacted.

*If all of these requirements are not met, then the firm’s entire proposal will be available for public inspection.*

**IMPORTANT:** A firm may not request that its entire proposal be treated as a trade secret or proprietary information, nor may a firm request that its pricing/fees be treated as a trade secret or proprietary information, or otherwise be deemed confidential.

As a separate contractual relationship, the participating entity will place its own orders with the Selected Firm(s) and will fully and independently administer its use of the Agreement to include contractual disputes, invoicing and payments without direct administration from the University. No modification of the Agreement or execution of a separate agreement is required to participate; however, the participating entity and

Use of the Agreement does not preclude any participating entity from using other agreements or competitive processes as needed.

N. The University's Authorized Representatives

S. Payment Terms

The Selected Firm(s) may indicate payment terms of less than 45 days so long as those terms also contain a cash discount for early payment. For example: “1.25% 20/Net 30” would correspond to a 1.25% discount if paid in 20 days, otherwise net 30. The University will compute discounts from the date of delivery of goods at destination, after final inspection, and acceptance, from the date of completion of services, or from the date the correct invoice is received in the Accounts Payable Division, whichever is later. The University will take the cash discount if payment is made within the specified time frame.
Unless alternate payment terms, with cash discounts, are proposed by the Selected Firm(s), invoices submitted to the University by the Selected Firm(s) for the Goods and Services described in this RFP will be paid on a Net 45 days after receipt of the Goods and Services and University receipt and approval of the corresponding invoice.

The Selected Firm(s) agrees to receive payments electronically and provide any additional discounts that may result from paying electronically. The firm will contact the University’s Payment Processor Specialist group in Procurement and Supplier Diversity Services to set up its preferred method of receiving electronic payments [Phone: (434) 924-4212 or email: uva-prs-boa@virginia.edu]. Accordingly, the Selected Firm(s) agrees to accept Bank of America’s (“BoA”) ePayables® method of electronic payment or BoA’s PayMode® method of electronic payment.

T. Marketing

The University encourages the Selected Firm(s) to appropriately and specifically market itself to applicable end-using University departments that may be interested in the Selected Firm(s)’s Goods and Services. However, the Selected Firm(s) will not use non-specific mass marketing formats; such as, but not limited to, spam, emails and junk mail. In the event that the Selected Firm(s) engages in non-specific mass marketing formats, the University, in its sole discretion, may choose to terminate this Agreement.

U. Future Goods and Services

The University reserves the right to have the Selected Firm(s) provide additional goods and/or services under the same pricing, terms, and conditions. Such additional Goods and Services may include other products, components, accessories, subsystems or related services that are newly introduced during the term of this Agreement. Such newly introduced additional Goods and Services will be provided to the University at favored nations pricing, terms, and conditions.

V. Ordering Procedures

The University does not place verbal orders for the Goods and Services. The University may only place orders for the Goods and Services by issuing a formal written Purchase Order in advance of Selected Firm(s)’s provision of the Goods and Services. Accordingly, at the University’s request, the Selected Firm(s) will issue a proposal/quotation listing the Goods and Services desired by the
University and the corresponding fees and/or fee estimates. After any necessary discussions and/or revisions, the University will issue a corresponding Purchase Order for a specified fee amount. This specified fee amount cannot be exceeded by the Selected Firm(s) unless a new formal written Purchase Order or Purchase Order revision is issued by the University authorizing a specific additional fee amount. Under no circumstances does the University authorize the Selected Firm(s) to provide the Goods and Services before receipt of a formal written Purchase Order corresponding to its proposal/quotation. If the Selected Firm(s) provides Goods and Services prior to receipt of a formal written Purchase Order, or incurs costs in excess of authorized purchase order fee amounts, it does so at its own risk.

W. Account Manager

Nothing in this Attachment 3 will preclude either party from filing a claim in any court of the Commonwealth of Virginia to seek legal or equitable remedy if a dispute should arise, in addition to such other remedies as are expressly provided in this Agreement; provided, the Selected Firm(s) may not file such claim unless and until it has complied fully with the procedure set forth in this Attachment 3.
Greetings:

The quality of service the University of Virginia is able to deliver to its customers is directly related to the excellent support we receive from you and many other outstanding suppliers of goods and services. Without you, we would not be able to fulfill our educational, health care and research missions. An important part of our procurement program involves our commitment to doing business with small, women- and minority-owned (SWaM) businesses. As one of our most important vendors, we look to you to help us achieve this objective.

We conduct substantial business with small firms. We have a particular institutional focus on developing long-term business relationships with minority-and women-owned businesses. We count on our majority firms to help us achieve our goal.

I seek your assistance in two areas. First, to the extent practical, I ask that you involve small, women-and minority-owned businesses in the delivery of services you provide to UVa. The office of Procurement and Supplier Diversity Services is ready to assist you in identifying qualified diverse business partners. Second, I seek your help in reporting your results through our quarterly subcontracting reports. The terms and conditions previously provided to your organization outlined this process.

This effort is important to us. We depend on you in so many ways – this is another way that we can partner with your company to make things better.

Sincerely,

Colette Sheehy
Vice President for Management and Budget
