The University of Virginia (the “University”) seeks an experienced and qualified firm or firms to provide services for the design and administration of exhibitions on an as needed basis for the Mary and David Harrison Institute for American History, Literature, and Culture, and the Albert and Shirley Small Special Collections Library (Library).

For ease of reference, each firm or individual receiving this RFP is referred to as a “firm” and the firm(s) or individual(s) selected to provide services for the University is referred to as the “Selected Firm.” This RFP states the instructions for submitting proposals, the procedure and criteria by which a firm may be selected, and the contractual terms by which the University proposes to govern the relationship between it and the Selected Firm.

I. Background Information

When Thomas Jefferson founded the University in 1819, he intended it to be nothing less than a world-class institution of higher learning. Jefferson’s spirit lives on – not only in the Rotunda and Academical Village he designed, and which remain treasures of American architecture, but in the University’s standing as a leader in education, research, and community service.

The over 19,850 students attending the University work within a true meritocracy and live by an Honor Code unique among American universities. Each student is exposed to the widest spectrum of disciplines – from arts and athletics to humanities and technology. Our students also enjoy a unique connection to the world beyond college through the University’s outstanding professional training, exemplified by its nationally ranked schools of Law, Business, and Medicine. The University as a whole has had a consistently high ranking not only among public schools, where it often heads the list, but among all American universities, public and private.

Over 11,600 permanent University faculty and staff are committed to serving both the local and national community. The University makes a real difference in the world, through its invaluable research, a hospital ranked among the nation’s
finest, and graduates who have consistently been among the forefront of our nation’s shapers. At the University, our bright future is the direct result of our great history.

The Harrison Institute (“Institute”) is a University Library enterprise dedicated to bringing together faculty, students, and the public through programming and outreach. The Institute fosters scholarly collaboration and promotes interdisciplinary discourse through public exhibitions, readings, receptions, conferences, lectures, and symposia.

Exhibitions in the Institute generally feature materials from the University of Virginia’s Special Collections, which is among the foremost special collections libraries in the world. There are over 300,000 rare books and 12 million manuscripts, which chronicle the American experience and imagination from the discovery of the New World to modern times. Additionally, there are over 3.6 million items in the University’s archives and other materials such as maps, posters, broadsides, and music scores.

The Library seeks design services primarily for the exhibitions in its main gallery space. One to two exhibitions per year feature a rotating selection of Special Collections materials and/or collections on loan. Project administration services are typically desired for Library exhibitions. Additionally, design services may be needed for exhibit projects elsewhere in the Library.

The main gallery is on the entry level of the Library and measures 38.5 x 38.5 feet. There is an inventory of display cases (26) and temporary gallery walls that may be used in this space. Additional Library exhibits include the ongoing exhibit featuring the history and archaeology of a historic Virginia estate, Flowerdew Hundred, and an ongoing exhibit about the Declaration of Independence.

The Library, which opened in late 2004, reflects the University’s commitment to fostering the continued growth of Special Collections, increasing its expected life through greatly improved climate controls and security, and expanding access to and knowledge of the collections through engaging, high-quality programs and exhibitions.

II. Scope of Services

It is the University's intent to enter into an Agreement with the Selected Firm or Firms to provide exhibition design services on an as needed basis to include those goods and services necessary to help the University achieve its goals as outlined in this RFP. F. Small, Women-owned and Minority-owned (SWAM) Business
The University is committed to the goal of non-discrimination and to giving fair consideration for all vendors in its procurement programs. The University has set a voluntary goal of doing 5% more business with SWAM firms each year. The University’s 2007 SWAM plan spend goal for firms certified by DMBE is:

<table>
<thead>
<tr>
<th>Business Type</th>
<th>Goal</th>
</tr>
</thead>
<tbody>
<tr>
<td>Minority Business Enterprises</td>
<td>4.0%</td>
</tr>
<tr>
<td>Women Business Enterprises</td>
<td>5.0%</td>
</tr>
<tr>
<td>Small Business Enterprises</td>
<td>31.0%</td>
</tr>
</tbody>
</table>

This goal does not allow for "set aside" purchases. SWAM firms must compete equally with majority firms and be able to provide the University with quality goods and services at competitive prices. To view the University’s current quarterly achievements, click here (Current SWAM Report). As this report shows, the University is in need of assistance in the Minority-owned and Women-owned categories. Please tailor your firm’s SWAM plan to assist the University in meeting its goal.

Specify whether the firm is a SWAM. Firms can only be considered a Small, Women-owned or a Minority-owned Business Enterprise if certified by the Commonwealth of Virginia’s Department of Minority Business Enterprise (DMBE). All certified SWAM firms will be assigned a specific identification number. No SWAM firm is required to certify under this program and no SWAM firm will be excluded from doing business with the Commonwealth because of their failure to certify as a SWAM firm.

The Commonwealth’s definitions are:
- **Minority-owned Business Enterprise** means a business concern which is at least 51 percent owned by one or more minorities or in the case of a corporation, partnership or limited liability company
or other entity, at least 51 percent of the equity ownership interest in which is owned by one or more minorities and whose management and daily business operations are controlled by one or more of such individuals.

- **Minority Individual** means a person who is a citizen of the United States or a legal resident alien and who satisfies one or more of the following definitions:
  - "Asian Americans" means all persons having origins in any of the original peoples of the Far East, Southeast Asia, the Indian subcontinent, or the Pacific Islands, including but not limited to Japan, China, Vietnam, Samoa, Laos, Cambodia, Taiwan, Northern Marinas, the Philippines, U. S. territory of the Pacific, India, Pakistan, Bangladesh and Sri Lanka and who are regarded as such by the community of which these persons claim to be a part.
  - "African Americans" means all persons having origins in any of the original peoples of Africa and who are regarded as such by the community of which these persons claim to be a part.
  - "Hispanic Americans" means all persons having origins in any of the Spanish speaking peoples of Mexico, South or Central America, or the Caribbean Islands or other Spanish or Portuguese cultures and who are regarded as such by the community of which these persons claim to be a part.
  - "Native Americans" means all persons having origins in any of the original peoples of North America and who are regarded as such by the community of which these persons claim to be a part or who are recognized by a tribal organization.
  - "Eskimos and Aleuts" means all persons having origins in any of the peoples of Northern Canada, Greenland, Alaska, and Eastern Siberia and who are regarded as such in the community of which these persons claim to be a part.

- **Small Business Enterprise** means an independently owned and operated business which, together with affiliates, has 250 or fewer employees, or average annual gross receipts of $10 million or less averaged over the previous three years. Nothing in this provision prevents a program, agency, institution or subdivision from complying with the qualification criteria of a specific state program or a federal guideline to be in compliance with a federal grant or program.

- **Woman-owned Business Enterprise** means a business concern which is at least 51 percent owned by one or more women who are U.S. citizens or legal resident aliens, or in the case of a corporation, partnership or limited liability company or other entity, at least 51 percent of the equity ownership interest in which
is owned by one or more women, and whose management and
daily business operations are controlled by one or more of such
individuals.

If the firm is not a SWAM firm, describe the firm’s partnering
relationships with SWAM firms and how it plans to support the
University’s goal to increase business annually by 5% with these firms in
accordance with Attachment 4, Executive VP and COO’s Request for
Commitment letter.

If authorized by the Selected Firm, the Agreement will be extended to the public bodies indicated above to purchase at the fees in accordance with the terms of the Agreement. The Selected Firm will notify the University in writing of any such institutions accessing the Agreement. No modification of the Agreement or execution of a separate agreement is required to participate. The Selected Firm will provide semi-annual usage reports for all VASCUPP member institutions and public institutions accessing the Agreement. Participating public bodies will place their own orders directly with the Selected Firm and will fully and independently administer use of the Agreement to include contractual disputes, invoicing and payments without direct administration from the University. The University will not be held liable for any costs or damages incurred by any other participating public body as a result of any authorization by the Selected Firm to extend the Agreement. It is understood and agreed that the University is not responsible for the acts or omissions of any VASCUPP member institution, or of any other entity accessing the Agreement under this section, and will not be considered in default of the Agreement no matter the circumstances.

Use of this Agreement does not preclude any participating public body from using other agreements or competitive procurement processes as required by law.

Procedure for Resolution of Contractual Claims

The Virginia Acts of Assembly of 2007, Chapter 943, Chapter 3, Exhibit P and its attachments requires contractors with the University to submit any claims, whether for money or other relief, in writing no later than 60 days after final payment; however, written notice of the contractors' intention to file such a claim must be given at the time of the occurrence or beginning of the work upon which the claim is based.

The University's procedure for deciding such contractual claims is:

A. The Selected Firm must provide the written claim to:
   Assistant Director of Procurement Services
   University of Virginia
   1001 North Emmet Street
   P. O. Box 400202
   Charlottesville, Virginia    22904-4202

B. Although the Selected Firm may, if it chooses, attempt to resolve its claim by dealing with a University department other than the one stated in Section A above, the Selected Firm must submit any unresolved claim in writing no later than 60 days after final payment to the Assistant Director of Procurement Services if it wishes to pursue its claim.

C. Upon receiving the written claim, the Assistant Director of Procurement Services will review the written materials relating to the claim and decide whether to discuss the merits of the claim with the Selected Firm. If such discussion is to be held, the Assistant Director of Procurement Services will contact the Selected Firm and arrange such discussion. The manner of conducting such discussion will be as the Assistant Director and the Selected Firm mutually agree.

D. The Assistant Director of Procurement Services will mail his or her decision to the Selected Firm within 60 days after receipt of the claim. The decision will state the reason for granting or denying the claim.

E. The Selected Firm may appeal the decision to:
   Director of Procurement Services
   University of Virginia
   Carruthers Hall
   1001 North Emmet Street
   P.O. Box 400202
   Charlottesville, Virginia    22904-4202
by providing a written statement explaining the basis of the appeal, within 15 days after the Selected Firm's receipt of the decision.

F. Upon receiving the written appeal, the Director of Procurement Services will review the written materials relating to the claim and decide whether to discuss the merits of the claim with the Selected Firm. If such discussion is to be held, the Director of Procurement Services will contact the Selected Firm and arrange such discussion. The manner of conducting such discussion will be as the Director of Procurement Services and the Selected Firm mutually agree.

G. The Director of Procurement Services will mail his or her decision to the Selected Firm within 60 days after the Director of Procurement Services receipt of the appeal. The decision will state the reasons for granting or denying the appeal.
Greetings:

The quality of service the University of Virginia is able to deliver to its customers is directly related to the excellent support we receive from you and many other outstanding suppliers of goods and services. Without you, we would not be able to fulfill our educational, health care and research missions. An important part of our procurement program involves our commitment to doing business with small, women- and minority-owned (SWAM) businesses. As one of our most important vendors, we look to you to help us achieve this objective.

We conduct substantial business with small firms. We have been less effective in securing long-term business relationships with minority-and women-owned businesses. We are determined to improve our record.

I seek your assistance in two areas. First, to the extent practical, I ask that you involve small, women-and minority-owned businesses in the delivery of services you provide to UVa. Second, I seek your help in reporting your results through our quarterly subcontracting reports. The terms and conditions previously provided to your organization outlined this process.

This effort is important to us. We depend on you in so many ways – this is another way that we can partner with your company to make things better.

Sincerely,

Leonard W. Sandridge
Executive Vice President and Chief Operating Officer
