ADDITIONAL ONE TO ALL FIRMS:

Reference: Request for Proposal (RFP) #DM111207

Commodity: Replacement Gas Boilers Stacey Hall

Dated: November 12, 2007

Proposal Due: December 7, 2007

Please reference the following for clarifications and changes to the RFP #DM111207 issued on November 12, 2007 for Replacement Gas Boilers located at Stacey Hall:

1. Following the start up of the replacement boilers, an emissions report will be provided by the Selected Firm to the University.

2. Provide in your proposal the specifications for the replacement gate valves connecting the boiler.

3. Provide in your proposal the specifications for new gas valves, regulators, and controls, which will be installed from the equipment room to the main gas shutoff valve.

4. The Selected Firm will be responsible to provide a system outage plan during the replacement period. A written 10 day notification will be given to the University prior to shut down of the system.

5. The University is responsible for draining and refilling the boiler system.

6. Provide in your proposal a Building Automation System to monitor the replacement boilers.

7. Explain in your proposal how the Selected Firm will provide start up training for University employees.
