ADDENDUM ONE TO ALL FIRMS:

Reference: Request for Proposal (RFP) #DF091307

Commodity: Electric Substation Supervisory Control and Data Acquisition (SCADA) System

Dated: September 13, 2007

Proposal Due: October 24, 2007

Please reference the following for clarifications and changes to the RFP #DF091307 issued on September 13, 2007 for the SCADA System:

General Clarifications:

- Item II Scope of Services – Delete the last sentence which reads “The Selected Firm will provide these Services:”
- Attachment 1 – Mandatory Contractual Provisions: Item I. The requirement for non-visual access is waived as the visual components of the software seeking to be installed as a result of this RFQ are essential elements of the technology. This includes graphing and trending analysis.
- Attachment 4 – Page 39 – Operator’s Training: The first sentence shall read “The first course will be taught at the project site before commencing the PVT.
- October 11, 2007 @ 10:00 am has been established as a second site visit time for interested firms. Firms are requested to call Ed Brooks at (434) 982-5825 if you plan on attending.
- A subsequent addendum will be issued addressing the one-line drawings and information on PT’s, CT’s and breaker/relay.
- Pre-proposal meeting Attendees List attached.
