Are you planning to travel for research, conferences or other professional activities? Let the TravelUVA team take care of all your travel needs. We have dedicated travel agents and an online travel reservation system providing access to negotiated discounts, emergency assistance, built-in UVA policy and compliance messaging that makes it easy for you to plan your next trip. TravelUVA also eases the burden of keeping track of your unused tickets, personal reward programs, and travel documents.

Get Started in Four Simple Steps

Step 1: Go to [http://www.procurement.virginia.edu/pageTravelandExpense](http://www.procurement.virginia.edu/pageTravelandExpense) *(Bookmark this page and use it to book your travel)*

Step 2: Click on the TravelUVA logo - This link will prompt you to log in through NetBadge

Step 3: Click on *Suitcase Icon* - (Left side of the page)

Step 4: Set your profile: Profile > Profile Settings > Personal Information

*Please note: To add an assistant search by last name, space, first name (no comma) or computing ID

Tips:

- Your name must match the name on the government issued photo ID with which you will be traveling exactly, including middle name or initial. Once your name is completed, you cannot edit it. If changes are needed, contact Travel@virginia.edu.
- When adding a credit card, there are four *Use this card as a default for* boxes. Check all.
- If you receive a *Screen Cleared* inactivity warning, click the box.
- Click on the pencil icon to edit information in your profile and on the trashcan icon to delete.
- To view tutorials on completing a profile visit [http://training.foc.virginia.edu/travel/data/toc.html](http://training.foc.virginia.edu/travel/data/toc.html)
